

Wall of Fame

What is it? Each month a new student will be selected to induct someone into the “*Wall of Fame*”. This can be anyone that the student wants the class to recognize for their efforts in any given field (sports, mathematics, medicine, art, history, etc.)

When is it due? Each student will have until the following REACH class to get their person approved by Miss D. A due date will be given to each student when they are chosen, but you are typically given about 2 weeks to complete the assignment.

All work for the WOF must be done outside of REACH class.

What must be included on the wall?

- The name of the person
- A picture of the person
- An additional picture showing what they're famous for
- AT LEAST:
 - One paragraph stating why they are famous
 - NOTE: if they are famous for more than one reason, just pick one area you want to focus on
 - One paragraph stating why you chose him/her
 - One interesting/fun fact
- Indicate if they are alive or deceased
- Create a visual representation (e.g. a drawing, poem, riddle, collage, comic strip, 3D model, etc.) - must be ORIGINAL!

The provided wall space is about 25 inches long x 20 inches wide... be **creative!**
