

Facilities Report 2019

- Our Insurance Adjuster came in with a total estimated claim of \$125,000 (with a \$500 deductible) for damages caused by the glycol spill. This will be covered by our Insurance carrier.
- On October 9th All Risk will be in the District to install the millwork in the classrooms where the cabinets had been damaged
- LED Lighting project is nearly completed and the report will be issued prior to the due date of December 2019.
- All work was completed on the Geothermal system on September 17, 2019 with the reinstallation of the sidewalk materials.
- Our new Camera System is installed and training will be completed by month end.
- A Maintenance Contract will be proposed for the System Controls for our Tiger Flow equipment in the Geothermal room on the first floor of the building.
